Mr. Peacock,

I'm working on getting everything together for you. Hopefully you will have it the week of the 18th.  
I will be out of the office all next week.  
Have a great weekend,

Blake

Dear Mr. Hazen,

Put together a proposal for resolving the issue and E-Mail it to me.  
Include 1) a description of the problem and 2) a description of your solution.  
Also include copies of any past letters or E-Mails.  
Then I can circulate it internally and, hopefully, provided you an answer much earlier and avoid a meeting.

Thank You,

Dan Peacock, Biologist
